

# Declaration of undesirable health effects

Genipa Americana L. derived products

TO WHOM IT MAY CONCERN,

Blue Leaf B.V. hereby declares to have a system in place for registering (serious) undesirable effects of the cosmetic products.

For handling and reporting these effects, Blue Leaf B.V. closely work with our processors and manufacturers and their emplaced systems. Together we will notify the appropriate authorities of the European member state or states where a serious undesirable health effect has occurred.

Yours sincerely,

For and on behalf of Blue Leaf B.V.
